

Alna Volunteer Fire Department
Preplanning Information

Name: _____

Date: _____

Street Address: _____

Phone: _____

Mailing Address: _____

One thing a Fire Department can do to be better prepared to fight a fire in your home is to learn some things about your home which will minimize risk and increases our chances for successful fire suppression. This form is intended to provide such information. Completion of this form is 100% voluntary. All of the information you provide will be kept strictly confidential.

If you have any questions about the form and what should be included on it or if you would like to arrange for a member of the AVFD to visit and assist you in completing it, you may contact Beth Whitney at 586-5803 or call the non-emergency number for the Fire Department (586-5555) and leave a message. We will get back to you to answer your questions or to set up an appointment.

On the list below please check the items which would be found on your property and indicate location by writing it next to the item &/or including it on your floor plan (see the back of this form).

- | | |
|---|---|
| <input type="checkbox"/> electrical Service Entry | <input type="checkbox"/> circuit breaker or fuse box |
| <input type="checkbox"/> outside entrance(s) to basement | <input type="checkbox"/> outside entrance(s) to barn/garage |

Please see reverse side

Floor Plan: Please draw a simple plan of each level of your home and any outbuildings on your property. Be sure to label all rooms and include **staircases** and all **points of entry**. If you did not already indicate the location of items you checked off on the first page, please label them on the floor plan. If the space provided is inadequate, please feel free to add other sheets of paper.

Please return this form to: Alna Volunteer Fire Department
C/o Beth Whitney
PO Box 509
Alna, ME 04535
